## CHRISTINA HEAD TEACHER TUAKANA

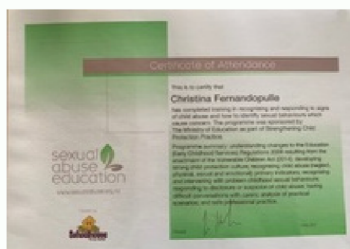

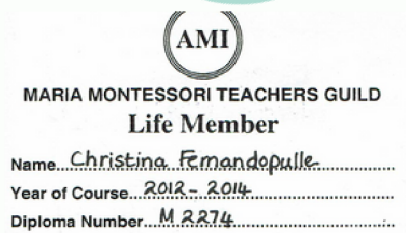

I am Whaea Christina, the middle child in my family. I place great value and importance on family. I was brought up by my parents and extended whānau in an environment filled with love, discipline, religious and spiritual values.

I was nourished by a cultural upbringing which sustained and moulded my moral character.

I am committed to nourish our tamariki holistically by way of guiding them in unleashing the beauty and potential within them by upholding and protecting their mana, giving them space and opportunities to explore and grow through the Montessori way.

I hold an AMI Diploma (2 ½ - 6+ years), AMI 0-3 assistant course and Diploma in Early Childhood Development and Education. I am an advocate for child protection and a first aider.

It is a privilege to be a part of the Wee Wisdom family for five years (and counting). I live in Takanini with my sister Whaea Deanne, who is the Manager of Wee Wisdom Drury Centre. Having her as a colleague makes me feel even more at home here.

We put our heart into your child's education
