

Kia Ora

MARIKO
**ADMINISTRATOR/
SUPPORT TEACHER**

Konnichiwa,
I am whaea Mariko.

I am originally from Japan but traveled, studied, and worked around the world for many years before finally deciding to make New Zealand my second home more than ten years ago.

I am married to a Samoan/ Maori husband and live in a multi-cultural family with two beautiful daughters who are both in primary school in Pukekohe.

I worked in tourism and marketing field previously, but after having my own children, I found that supporting young learners is my passion and shifted my career into Early Childhood Education and completed my study in Education Support.

When you do not see me in the office, I will be in the classroom!
I enjoy seeing children learning every day!

We put our heart into your child's education
