TEACHER**

Hi I am Pooja Nayyar.

I am originally from India (Punjab), and I came to New Zealand eight years ago.

I am married and I have one daughter.

I enjoy living this beautiful country with my family.

I love to work with the children.

Working with the Tamariki (Children) is so much fun and I have learned so many things from the children.

I believe that their smiles can make anyone's day and I love to observe their learning at their own pace.

As a Kaiako, I believe that empower Tamariki(Children) to progress at their own pace according to their individual capabilities and interests.

We put our heart into your child's education
